Wooden Trophy & Medal

Times are changing and people care more than ever about the provenance and sustainability of their items – and the events industry is no different, with a huge drive to make events greener, more sustainable and less damaging to the environment.

Eco-friendly wooden medal & trophy are perfect gifts for the event. Whether laser engraving or digital printing, you can bring your designs and ideas to life on these medals and trophies. People will love them!

Ustar is passionate about creating medals that speak your brand's message and where better to start than the material it's etched on? Ustar offers a vast range of different materials and finishes. You can choose from Basswood, Bamboo, Beechwood.

Bamboo Fiber Towel

-
Size: 34 cm x 75 cm
It uses environmentally friendly bamboo fiber fabric, the touch as soft as baby skin.

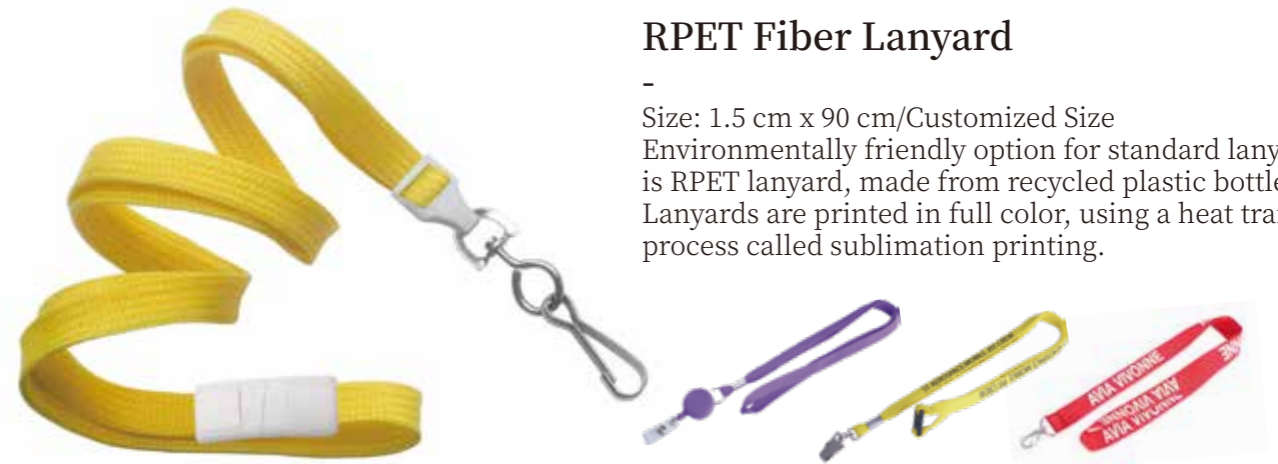

RPET Fiber Golf Towel

-
Size: 40x40cm/40x60cm/Customized Size
The towel's fabric is known as microfiber. The advantage of microfiber is that the towel is very compact and ultra-light, but at the same time extremely water-absorbent.

RPET Fiber Wristband

-
Size: 1.5cm x 35 cm
Soft, visible, durable & eco-friendly wristband.

RPET Fiber Lanyard

-
Size: 1.5 cm x 90 cm/Customized Size
Environmentally friendly option for standard lanyards is RPET lanyard, made from recycled plastic bottles. Lanyards are printed in full color, using a heat transfer process called sublimation printing.

ECO-friendly Bag

Today's consumers are more environmentally conscious than ever and will look for products in sustainable and eco-friendly packaging.
